How is Saint Christopher Journeys different from other travel organizations? The purpose of Saint Christopher Journeys is: *Educational Travel Focusing on Justice through a Catholic Lens*. On a Saint Christopher Journey, you will visit museums and shrines, just like you would with another organization. You will *also* visit Catholic schools, orphanages, refugee shelters, hospitals, and other social services doing justice in their communities. Your group will be provided with resources for reflection and social analysis informed by philosophical concepts of social justice and *Catholic Social Teaching*. In short, on a Saint Christopher Journey, **you go deeper**.

Saint Christopher Journeys are restricted to adults 18 and older who are legally self-responsible. Journeys do involve walking on unpaved paths, using stairs, long rides and flights, limited menus, and not always with air conditioning. Adults need to keep these things in mind before choosing to make a journey.
